**Page 11, Line 18, DELETE Findings of Fact No. 49 and INSERT New Findings of Fact 49 and 50 as follows, and renumber accordingly:**

“49. The Company should be allowed to recover the new revenue requirement resulting from our determinations herein through its commodity rates, and should be required to file, by April 15, 2011, a tariff reflecting the corrected permanent commodity rates, to become effective for all service rendered on and after May 1, 2011.

50. The Company should be allowed to collect, with interest at a rate of 6.0 percent, the difference between the actual revenues collected for service from October 15, 2009 through April 30, 2011, and the revenues that would have been collected for service during that period had the ratemaking treatment of the two rehearing issues determined herein become effective on October 15, 2009. The Company’s collection of such amount should be made through a temporary commodity rate surcharge to be assessed for a period of six months, effective for service rendered on and from May 1, 2011 through October 31, 2011.”
